New Services

TxDOT Credit Union will be offering some new services soon. We are developing a mobile app and going to be offering certain forms such as membership and loan applications on-line! As always, the board of directors reviews new services to offer the membership and has to evaluate the costs involved versus the benefit. The board felt that these were the best options for the credit union at this time.

Annual Meeting

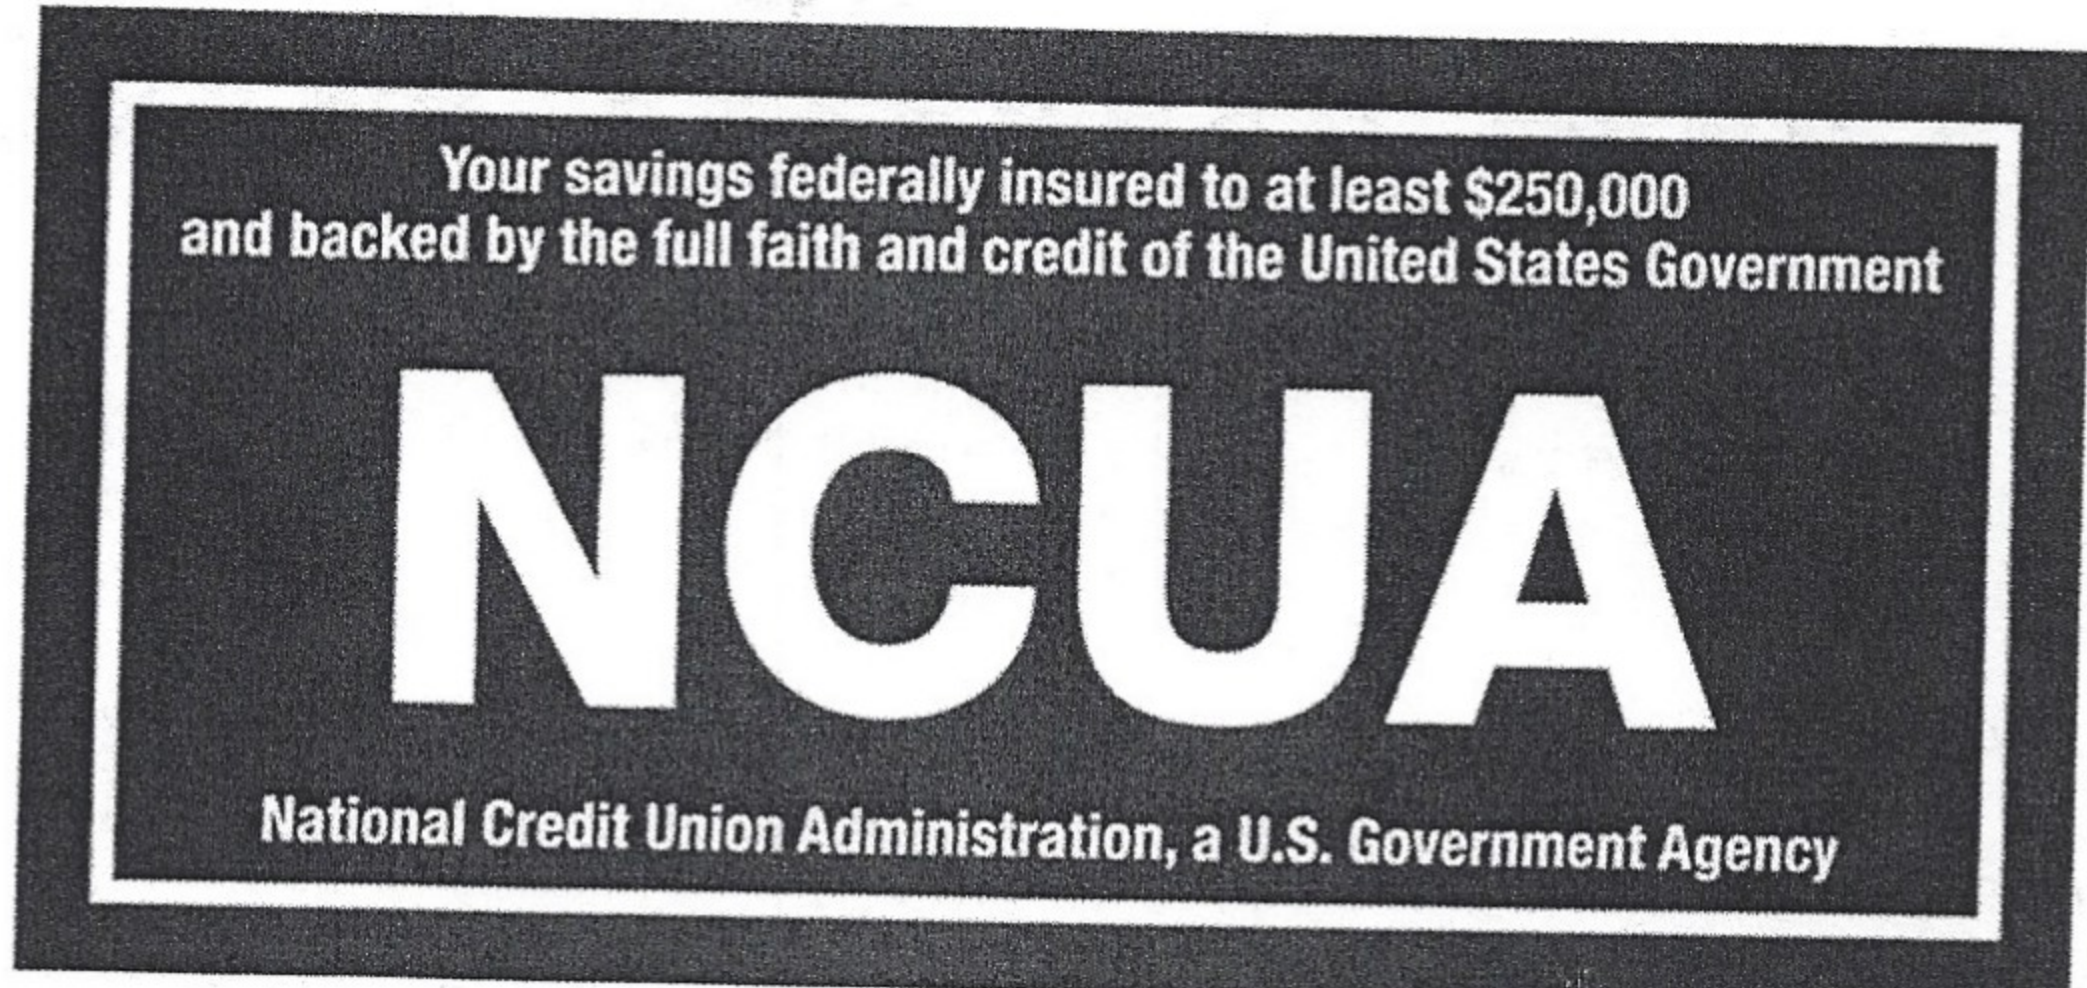

Well, due to the pandemic situation that our nation is facing, TxDOT Credit Union cannot have a regular annual meeting. This year we will not gather to have a meal, fellowship and great door prizes. We are going to offer a video presentation of the annual report on the website and mail ballots to members. All return envelopes or in person return of a ballot will put the member in the "hopper" for door prize drawings. I know everyone will miss the opportunity to visit with fellow members and see what the winning tickets provide. 2020 has been a year for changes in the way we conduct business and our lives. TxDOT Credit Union is trying to keep our members and staff safe. If you have any questions, please contact the Abilene office.

Mission Statement
